### **FOOTBALL GOAL POST PAD**

Post padding shall be constructed as a wrap-around pad for round posts, using hook and loop fastener straps for attachment to the post. Post pad shall fit all post diameters up to 6" O.D.

Protective pads are 6' high for installation around post areas where body contact may occur. Constructed of high density urethane foam 4" thick covered with 18 oz. mildew resistant and UV resistant coated vinyl.

Available in red, white, green, yellow, royal blue, black, purple, orange, and gray.

See model number code chart for specific model number. Custom padding (thickness, material, and color) and size of padding (height and width) must have written description.

Subject to design change and current manufacturing practices.
