Introduction/Liability Disclaimers

Thank you for your purchase of a Performance Sports Systems Model 4085 Outdoor Multi-Sport Cage. To ensure that our equipment will provide years of use to you, we are including this operation, and maintenance guide. This guide will provide information on the proper operating procedures, and preventative maintenance of your outdoor Multi-Sport cage.

Please do not substitute for factory parts. If any parts are missing, do not substitute non-factory parts. Please contact the Performance Sports Systems customer service department and allow them to determine if substitute parts are acceptable.

It is recommended that an individual who has been properly trained perform operation of the Multi-Sport cage. No one under the age of 18 should operate the curtain, unless properly supervised.

To prevent normal wear and tear from shortening the life of the cage, preventative maintenance inspections and repairs should be performed at least once per year. If the cage is subject to high or unusual usage, inspections should be scheduled to occur more frequently. If items are found to be nonconforming, replacements can be ordered from Performance Sports Systems or one of our authorized dealers. When contacting Performance Sports Systems, please have information regarding the dealer/installer who sold the unit, the name of the project, and any applicable warranty information.

 **CAUTION**

ONLY TRAINED AND AUTHORIZED PERSONNEL SHOULD OPERATE THIS EQUIPMENT. OPERATION BY UNTRAINED OR UNAUTHORIZED PERSONNEL MAY RESULT IN DAMAGE TO THE CURTAIN OR CURTAIN STRUCTURE AND/OR INJURY TO ANYONE NEAR THE CURTAIN.

Product Overview

The following information is designed to assist you with the operation and maintenance of your Model #4085 Outdoor Multi-Sport Cage. We recommend that you carefully read this literature to become familiar with your new outdoor multi-sport cage, then develop an operation and maintenance program for the designated operator of the curtain.

It is very important that this cage be operated by AUTHORIZED PERSONNEL ONLY. This Multi-Sport cage has been manufactured with safety in mind, but even the safest equipment can be damaged or cause damage to a person or persons when operated by unauthorized or untrained users.

- **Only authorized personnel may operate Multi-Sport cage.**
- **Care must be taken to make sure the cage and areas above and below the cage are free and clear of any obstructions.**
- **Do not stand directly below the cage net when raising or lowering.**
- **Never swing or sway cage net.**
- **Rope and pulleys were designed to lift the weight of the cage only.**
- **Never hang from sides or bottom of cage net during operation or when cage is in the lowered position.**
- **Never attach or place foreign objects on the cage.**

OPERATION OF THE MODEL #4085 OUTDOOR MULTI-SPORT CAGE:

1. **Starting at the center posts, remove the rope from the tie down location on the post and connect the quick link to the top corner rope of the net. It is best to have a person on each side of the net and raise both at the same time. However, one person can raise one side, then raise the other side. And repeat the process until the net is fully raised. Tie off the rope at the tie down point on the post.**
2. **Once the center post are complete, move in either direction raising the net at the next set of posts.**
3. **Continue this process until all the posts have the net raised.**
4. **To lower the net, start at one end and remove the rope from the tie down release the slack on the rope and allow the net to be lowered to the ground. Complete for each post.**
